VISION

To strive to gain worldwide recognition as a distinguished institution, promoting academic excellence through impactful collaborations with industry partners. Our pledge is to mould students into globally aware and socially responsible contributors to society.

MISSION

- Foster a globally collaborative environment for the free exchange of ideas, promoting research, creativity and entrepreneurship.
- Enhance education standards through accreditation and active participation in global Rankings.
- Forge strong international partnerships with industry, academia and research institutes to bridge global gaps.
- Effective curriculum delivery with innovative pedagogy and a practical, globally relevant approach.
- Empowering students as global problem solvers and critical thinkers.
- Cultivate an international Research and Development environment for faculty and students.
- Provide equal opportunities in a sustainable and inclusive global education system.

*“Success is not merely an outcome;
it is the symphony of determination,
perseverance, and unwavering
belief in one's potential.
It is the synchronization of ambition
and defiant pursuit of
excellence-driven action.”*

Dr. GURMEET SINGH DHALIWAL

Founder & Chairman,
Baba Farid Group of Institutions, Bathinda

Dr. Gurmeet Singh Dhaliwal is a distinguished edupreneur who has dedicated his life to the noble cause of serving humanity through quality education. His journey in the realm of education began in 1993 when he laid the foundation for a primary school. The primary school founded by him had no direct class introduced. However the 25 students admitted in the nursery class in 1993 went on to pass their Matriculation in 2005. This remarkable achievement laid the foundation for the transformation of a modest primary school into the prestigious Baba Farid Group of Institutions, providing over 50 programs in fields such as Engineering, Management, Commerce, Science, Agriculture, Education and Humanities.

Throughout his illustrious career, Dr. Dhaliwal has received numerous awards and accolades, including the Bharat Jyoti Award, Indian Achievers Award, Education Excellence Award, EduPreneur Award and many more. He has also been recognized as one of the top 50 influential education entrepreneurs by the World Education Congress.

Dr. Dhaliwal has represented India's education sector in prestigious delegations to countries like the USA, Canada, UK, Germany, Norway, Denmark, Finland, Sweden, Singapore etc. Notably, he was selected as the sole educationist to represent India in the delegation to Norway and Finland, led by the **Honorable President of India, Dr. Pranab Mukherjee**, in 2014. He has also played a significant role in global conferences such as TIECON 2015, advocating for advancements in technology and innovation. He was a special invitee for a dinner meeting with **Honorable Prime Minister of Canada, Mr. Justin Trudeau** at New Delhi in 2018.

Dr. Dhaliwal was invited as a speaker and distinguished guest to national and international conferences, organized by esteemed organizations like FICCI, CII, NASSCOM etc.

Driven by his dedication to improve education quality and end unemployment in India, Dr. Dhaliwal has aligned his efforts with initiatives like Skill India, Digital India, and Make in India. He has fostered an environment conducive to skill development and innovation within his institutions.

In addition to his contribution to education, Dr. Dhaliwal has made significant strides in social welfare. He established a Social Welfare Department to address various social issues and initiated programs to raise awareness about social evils, promote traffic safety, tree plantation activities and combat drug abuse.

Recognizing his significant contribution to education, Dr. Gurmeet Singh Dhaliwal has been unanimously appointed as the Chairman of the Joint Association of Colleges (JAC), Punjab (Regd.). Additionally, he holds the esteemed positions of President of the Punjab Unaided Technical Institutions Association (PUTIA) and Chief Patron of the Punjab Unaided Degree Colleges Association (PUDCA).

By virtue of his leadership and commitment, Dr. Gurmeet Singh Dhaliwal has not only elevated the standards of education but also made impactful contributions to welfare of the Society. His vision and dedication continue to inspire and empower individuals within the education sector and beyond.

- **1993** ➤ Commencing primary education in the mother tongue to serve the society with quality education.
- **2002** ➤ The 8th-grade board exam was conducted without invigilators, with special permission by the Chairman of the Punjab School Education Board. This marked a distinctive initiative in the history of the education sector.
- **2003** ➤ Baba Farid Public School represented India and won first position in group dance competition held in U.K., where total 57 countries had participated.
- **2005** ➤ Inception of Baba Farid Group of Institutions with establishment of Baba Farid College and Baba Farid College of Education.
 - Department of Career Guidance was established.
 - First time one week career guidance workshop was organized in the region.
- **2008** ➤ Establishment of two new colleges namely Baba Farid College of Engineering & Technology and Baba Farid College of Management & Technology.
- **2009** ➤ Department of Social Welfare was established to serve the society.
 - Blood Donor Squad was established to save the precious human lives.
- **2010** ➤ Region's First Mega Job fair was organised to provide a platform to the students of entire Malwa region to get placed in Multinational Companies.
- **2011** ➤ Anti Drug & Traffic Awareness campaign was launched.
- **2012** ➤ Baba Farid College of Education accredited 'A' Grade by NAAC in cycle-I.
 - Live Green Social Awareness Campaign was launched.
- **2013** ➤ Commencement of First Annual International Fest VIBGYOR.

- **2014** ➤ BFGI became the only educational Institution to represent education sector of India in the focused delegation to Norway & Finland led by **Dr. Pranab Mukharjee, Honorable President of India.**
- **2015** ➤ School of Skill development & School of Competitive Studies were established.
- **2016** ➤ BFGI ranked among top 7 e-governance campuses in India by NIC, Govt. of India.
- **2017** ➤ MoU was signed with Central University of Punjab, Bathinda.
 - Baba Farid College of Education accredited 'A' Grade by NAAC in cycle-II.
- **2018** ➤ Establishment of School of Entrepreneurship.
- **2020** ➤ Became first Private Institution of Punjab to get the approval of Punjab State Council for Agricultural Education.
- **2021** ➤ An Incubation Centre was established.
- **2022** ➤ MoU was signed with AIIMS, Bathinda.
 - Baba Farid College of Engineering & Technology conferred Three Star ranking by Institution's Innovation Council (IIC), Ministry of Education, Govt. of India.
- **2023** ➤ BFGI Incubation centre was recognised by MSME, Govt. of India.
 - Baba Farid College of Engineering & Technology was awarded for Best Placements & Results by MRSPTU, Bathinda.
 - BFGI recognized as the only institution to be part of Consortium of Higher Education Institutions along with AIIMS, CUP, MRSPTU & other Universities of Bathinda District.
- **2024** ➤ Baba Farid College of Engineering and Technology became **one of the top 3 colleges** accredited with 'A+' Grade by NAAC (Cycle-I) in **North India.**

DEVELOPING THREE PHASE JOURNEY

EXPLORE

During the "Explore" phase, students engage in the in-house BFGI Aptitude Test, which assesses their skills, strengths and values. Mentors provide guidance to help students understand which sector and role align best with their profiles.

ENGAGE

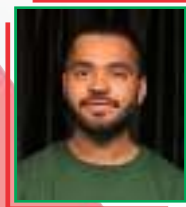

In the "Engage" phase, students enhance their identified strengths through immersive workshops focused on crafting compelling resumes, cover letters and LinkedIn profiles. Additionally, they learn the importance of networking and mentorship.

IMPLEMENT

During the "Implement" phase, students participate in diverse recruitment processes in their concluding semesters. They connect with potential employers to kickstart their desired careers.
