Baba Farid College Bathinda

(Academic Session 2023-24)

Sr No	Name of Department	Name of Certificate/Value Added Course/MooC	Collaborative Agency (If any)
1	Biological and Chemical Sciences	Systems, Biology and Biotechnology - SBB	Abca Biosloutions
2	Biological and Chemical Sciences	Role of Chemical Sciences In Industries-CSI	
3	Biological and Chemical Sciences	Advancement In diagnostic Methods for Health Care Sciences	
4	Biological and Chemical Sciences	Inerternship Cum Certificate programme on Role of AI In Medical Sciences; Medical Coding & Clinical Reserach; Molecular and Chrotomatography Techniques	Learnto upgrade/Microbiological Society/Orbit Biotech
5	Agriculture	Integrated pest management	agMOOCs
6	Agriculture	Agricultural statistics in Practice	agMOOCs
7	Agriculture	Practical animal nutrition for augmenting livestock and poultry productivity	agMOOCs
8	Agriculture	organic farming for sustainable agricultural production	edX
9	Agriculture	Value Engineering Agricultural Plan	agMOOCs
10	Agriculture	Current trends in treatment and control of parasitic diseases of livestock and poultry	agMOOCs
11	Computer Application	Certificate Course on Web Design Using HTML	
12	Computer Application	Certificate Course on Mobile Application Development Using Flutter	AccuraTech Pvt Ltd. Mohali
13	Computer Application	Certificate Course on Web Development using CSS and Javascript	AccuraTech Pvt Ltd. Mohali
14	Computer Application	Certificate Course on Application Development Using Java	
15	Computer Application	Certificate Course on Data Analytics Using Tableau	Skill Nation
16	Computer Application	Web Designing using HTML5	
17	Computer Application	Web Development using Bootstrap, CSS and Javascript	
18	Physical and Mathematical Science	Fundamentals of Python for scientific computing	
19	Physical and Mathematical Science	Basic Course On Microsoft Office V16 Professional	edX

20	Physical and Mathematical Science	The Health Effects of Climate Change	edX
21	Physical and Mathematical Science	Teaching Calculus using Mapple	
22	Physical and Mathematical Science	Introduction to Monitoring and Evaluation	
23	Arts	Recent Trends in International Politics	
24	Arts	Siginificance of the revolt of 1857 in Indian History	
(Academic Session 2022-23)			
1	Agriculture	Feeding a Hungry Planet: Agriculture, Nutrition and Sustainability	edX
2	Agriculture	Sustainable Food Security: Crop Production	edX
3	Physical and Mathematical Science	Solar Energy Fundamentals: Powering A Sustainable Future	edX
4	Physical and Mathematical Science	Basic Course On Microsoft Office V16 Professional	
5	Physical and Mathematical Science	Python Basics for Data Science	edX
6	Physical and Mathematical Science	Python for Symbolic Mathematics and Applications	
7	Biological and Chemical Sciences	Emerging Techniques In Botany, Zoology And Biotechnology	
8	Biological and Chemical Sciences	Ethics In Chemistry And Safeguards In Lab	
9	Biological and Chemical Sciences	Advances In Biomolecules	
10	Computer Application	Cloud Computing Basics	edX
11	Computer Application	Web Designing Using HTML, CSS and JavaScript	AccuraTech Pvt Ltd. Mohali
12	Computer Application	Mobile Application Development Using Flutter	AccuraTech Pvt Ltd. Mohali
13	Computer Application	Python Programming with Machine Learning	AccuraTech Pvt Ltd. Mohali
